When The Burth

Commercial Appeal. Nows of the terrible earth-

enake in Italy has scarcely been hed before prophets rushed into print with predictions of the early end of the world.

Old Mother Shipton predicted the world's end years ago. It every effort to relieve the mean has been the prediction ever since the food.

The earthquake in Italy was ne of the most disastrous in hetory and the ignorant peasants Who survived the shock can not he greatly blamed for expecting an early and of the world, but we millengrum has been

There are some people wh ald nature goes on year after year saining scope and providing heat early approximating the neoreeary amounts. People and name live and flourish under her and the seasons roll has been done rund with recovering regular:-But these gloomy souls are job. They seem to have an inting to charties beneficent there for usus terrible sin of

a or transgression of Divine Jene. It must be remembered that Savannah News the world has been coming to su end ever muce the delage.

7 photo we have with in st ways and every disaster, war or

There will forever be a certain hall-fire. Such people decline to into being there lingers an atmoss in helied by visions of celestial phere that makes any building

Fortunately the mind of may met generally of this cast. He aut to think of humself as se days are literally number

This world would terminate with over his new title of grandfather, in and of the first century after their. Then with the care Then with the easy Debt's mannion was appointed President for he and Mrs Wilson the the transfer event. But the

of those productions. To because of his household every hap historical early Christians piness and now rejoices with his puts no dealer both a som-in the new event that completes

Today only the superstitions and the creditions have time to House experience indulge in such predictions. In stead of trying to cheer people greatly afflicted, they seem to find a certain contentment in pre dicting a greater tragedy

The Majority Is the Bemperatic Party.

Barmangham Ledger

" If anybody asks you, democrate party is in harmous There are efforts and frenzied folly undertakes to create discord but it cannot. The state commit ice is in harmony with the legislature Contrary statements come from those whose grip is

to defend the democratic major: ty of the legislature. The mem been made distinct and open pledges before and after they wire nominated by the direct Notes of the demourate. This are doing what they promoted their constituents, and no constituency has yet charged a representative with breaking faith. There is no open, plain fulfillment of pledges and the state known it and the Ourty approved it

The democratic majority made ing governor of any cause of fre fron by passing the promised prohibition legislation before he came into office. On all clar there was and is, presumably its fraction it was not the party the present conditions of the majority that caused the fration on the prohibstion bill when it was known to be coming up That majority is all faith and honor announced that they had turally expect the worst. Kind agreed on the prohibition mean ures and the officers of the legalature in both branches as nec smary to put the measures thru Also that they would pass the ures before Mr. Henderson would become governor. All this

As soon as the new adminis tration presents its policies to sions of the liberality of the legislature for constructive on parent. They are lagualation, the raging papers will ring for Nature to quit her calm down or he ignored. There m no call for discord, and cer uition that an angry God is pre- tainly the majority will not pro-

The White House Baby.

There have been many unportant happenings in the personal life of the President since he sil secret, no wife died there and to the property were and the property will forever be a certain of the knotoric old home will at a certain fees of people who love to sit the strates and sold know to a certain of the knotoric old home will at a certain fees of people who love to sit the known to a certain of the knotoric old home will at a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of people who love to sit the known to a certain fees of the for farebodings to these doors there, his wife died there and tions of people who love to not tend him all his life, after he edy's feet and have their leaves at ! About the place where feelings horrowed. They seem to dear ones die, where the daugh, i ppressed but takey predictions of door and lers of the house become brides field with their ake delightfully at threats of and where new generations comphere that makes any building, he it a but or palace, something more than a mere building. These are the things that make a house into a home, that help to make it our, the editors appeal to them, real ruther than as a being true that there is "no place like and thus work up great circula home "

No doubt there is a tinge of sadném in the President's pride because there is no grandmothe at his mile to share his pride ptability characteristic of The whole nation has taken great world has not vet restrict the er rolled around and the sun home than an official dwelling on not question the size in the new event that completes

Market COFFEE Is

Never Sold in Bulk

No "bulk coffee" is a satisfactory substitute for French Market Coffee. For this famous old secret blend cannot be successfully

And if you pay more than the price of "French Market" for coffee, it is utter waste.

The blend of coffees that produce that rich, aromatic flavor peculiar to the genuine French Market Coffee is a secret of the French Market

Even if the right blend were known, it would

be impossible to reproduce the old time French Market slow roast and grinding process only obtainable by the splendid machinery of the French Market Mills. Nowhere else could the French Market process of packing coffee, untouched by human hands, in perfectly sealed

If the leading coffee experts in the world cannot pick out the best coffees until they are roasted and served in the cup, how can you, Madam afford to buy coffee in bulk? Let this coffee tell its own story. Serve French Market Coffee at every meal for several days. Be convinced by actual test that it is the best.
